Please see reverse side for additional program information

Program Information:

- Your color match order must be placed within six months of your sample order. After six months a new chargeable sample order will need to be resubmitted.
- Multiple cabinet orders may be submitted using this sample order.
- Sample orders ship in 7-10 business days from receipt of a completed, paid, sample order.
- Sample doors do not include face frame or hinges regardless of door style.
- Sample doors are only finished on the face side of the sample door.

Process/terms:

- Complete and submit this color match sample order form to customerservice@homemarkcabinets.com.
- Samples are produced based on finish selection. Sample will be shipped to the ship to address notated on the form.
- Dealer and/or customer will review to ensure color meets expectations. HomeMark Cabinets retains a master sample for the production order.
- Additional color samples require a new sample order.
- Color match sample orders are non-returnable and non-refundable.
- When placing a cabinet order, reference the "FN sample order number" located on the back of the sample door and submit a signed HomeMark Cabinets Custom Finish Agreement form.
