### **Limited warranty**

- This warranty applies to HomeMark Cabinets cabinets installed for residential use. HomeMark Cabinets warrants kitchen cabinets free of manufacturing defects for a period of (5) five years from the date of purchase.
- This warranty applies only to the original purchaser and installation site and is not transferable.

# Your warranty coverage

Materials used in the manufacturing of the cabinets are sensitive to temperature and humidity variations. When humidity is low, with any wood product, cracking and center panel shrinkage may occur. This warranty does not cover damages or failure attributable to:

- Issues related to the natural characteristics of wood products or the normal effects of aging.
- Defects caused by product modifications completed by the owner/installer.
- Color variations in cabinets are a natural occurrence due to wood species, age and exposure to UV light and sunlight and therefore such variations and changes are not considered defects.
- Micro cracks due to the humidity and temperature variations.
- Damage caused by flooding or standing water from leaking pipes, faucets, household appliances, etc: up to and including flooding and any damages caused by natural catastrophes.
- Wood characteristics naturally occurring such as variations in color, grain and knots are not considered defects.

#### **Maintenance care**

- For daily cleaning, use a dry cloth and a soft liquid cleaner.
- Never use abrasive cleaners containing chrome, acetone, chlorine or strong bleach. Do not use scrapers, metallic brushes, and other products which can scratch or tarnish surfaces.
- Good ventilation is essential for maintaining the quality and look of this furniture.

# **Warranty Service**

- To make a claim, contact HomeMark Cabinets no later than 30 days following the date of receipt of product, at customerservice@homemarkcabinets.com. Our customer care team will ask you to submit the details of your claim and pictures (if applicable).
- Proof of purchase, such as the bill of sale is mandatory when requesting warranty service.
- No unauthorized person, installer, dealer, or agent is entitled to assume any liability on behalf of HomeMark Cabinets relating to the sale of this product or has the authority to increase or alter the obligations or limitations of this warranty.
- HomeMark Cabinets reserves the right to designate a representative to inspect the kitchen cabinet for analysis.
- The sole remedy provided by this warranty is the repair or replacement of any part or parts that may prove deffective under normal residential usage.

#### **Claims**

Submit claims to:

HomeMark Cabinets Customer Service 4747 Western Avenue Connersville, Indiana 47331

customerservice@homemarkcabinets.com 888-350-9165

# **Door Style & Finishes**

# **Highland - Shaker Recessed Panel**

Discrepancies, errors, and omissions may occur between this Specification Guide, design software, and the web based Quoting Tool. Please consult with Customer Service for fnal determination of product. HomeMark Cabinets reserves the right to change and alter its product and/or specifications without notification as market conditions require. It is the responsibility of the individual user to update their own Specification Guide and design software. Material dimensions may be nominal based on lumber industry standards.

# **Standard Cabinet Construction**

Wall, Base, and Utility cabinets are constructed using high quality materials and hardware. The illustration below identifies the components of a standard Base cabinet. Wall and Utility cabinets have similar construction. Please refer to Construction Notes below outlining differences.

- 1. 3/4" thick solid hardwood doors and drawer fronts, with engineered center panel for a quality look and feel.
- 2. 3/4" solid hardwood frame for strength and rigidity.
- 3. 1/2" Unfinished plywood side panels:
  - \* No-charge factory applied matching wood veneer end panel call out left, right or both.
- 4. 5/8" solid hardwood dovetail drawer with 3/8" plywood drawer bottom, can support up to 75lbs.
- 5. 1/2" & 1/4" reinforcing back panel.
- 6. Concealed under-drawer glide mechanism is soft-close and gives full extension.
- 7. Soft-close, 6-way adjustable, concealed hinges open to 105 degrees for easy access.
- 8. Sturdy 3/4" plywood shelves wrapped in stain and moisture-resistant wood veneer.
- 9. Adjustable locking shelf clips for internal storage flexibility.
- 10. Natural birch veneered interior with UV clear coating for stain and scratch resistance.
- 11. 3/8" plywood base for extra strength.
- **12.** Color-matched, veneered plywood toe kick for a neat finish.
- 13. Corner block stabilizers and I-Beam add strength and rigidity.

# **Modifications**

#### Finished End - FE

# Factory Installed End Panels No price up-charge modification

- Available for all cabinets.
- 3/16" veneered engieneered core panel.
- Specify Left/Right/Both to identify Finished End.

#### **Finished End & Construction Notes**

- All standard cabinets have ½" unf nished, plywood ends
- Seam between applied panel and face frame will visible
- Finished panels available to ship loose for f eld installation.

# **Increased Depth - ID**

• Increased Depth option is available in 1" increments

Cabinet Type	<u>Availability</u>	ncrement	List Price
